SATURDAY MAY 5

DOINGS IN POLICE COURT

Strenuous Session This Morning. --- A Negro Thought to be Implicated in the Recent Hold-ups Captured.

Mayor Shutterly certainly had his hands full when the "bunch" were lined up to donate at this morning's session. The stock of drunks seemed well nigh exhaustable, but the principal interest was centered in one Thos. Ellis, a negro, who was arrested last night near Twelfth street ferry by Officer Marietta charged with being a suspicious character. Ellis has told several conflicting stories and the fact that one of the victims of last Saturday night's holdup has identified him as their assailant would suggest that a very important arrest has been made. Ellis told the mayor this morning that he was a native of Virginia, but that he came here from Allegheny last night. His case was held over until this evening, when he will be given a hearing.

Mike Was, Frank Potech and Tom Grasch, three Slavs who wore a meek high-I-hadn't-spoken look were among the number who had overdone the "boshing" act and as a consequence were called on to leave $2 and costs with his honor.

Mike Molesky, who had also gotten the worst of the deal, when he tried to lick all the "booz" in town, paid the same amount Alexander Gardner was fined and costs for the same offence. Jim Hopkins was also one who fell off the beer wagon yesterday with a dull thud, but didn't pay the mayor a visit this morning He forfeited a $5 bill.

A bunch of foreigners were fined $3 and costs yesterday morning for playing cards in plain view of the public on the sabbath They were warned that a repetition of the offense would result more seriously

Lewis—Ellis was given a hearing before Squire J. A Watkins this afternoon and committed to jail to await the action of the grand jury

Do You Want an Investment in a Real Gold Mine?

Munhall Tonopah is not a get-rich-quick proposition that may pan out if you live long enough.

It is a producing gold mine, consisting of five claims, or 100 acres in the richest gold mining district of Tonopah, Nevada.

Most of the stock is owned by United States Steel Corporation men, including C. M. Schwab, former President of the Steel Corporation.

These men have faith in Munhall-Tonopah. **They have put their own money in it. They never have been identified with a failure** They generally know a proposition before they invest.

They investigated this one and are convinced that it is good.

They found that shaft 258 feet deep had been sunk - a double compartment, finely timbered shaft, and that in this, three well defined ledges had been cut—that the ore taken from these ledges assayed from $10 to $42 a ton.

They organized the company with a capital of $1,000,000 00 divided into 1,000,000 shares, par value $1 each.

They have ordered an up-to-date steam hoist and complete plant for getting out the ore—a plant capable of sinking shafts to a depth of 1800 feet. The plant and outfit will be on the ground May 1.

Everything will be in readiness for operation in a very short time.

More money is now needed to continue the operations, and a very LIMITED AMOUNT of stock is offered at 25c THE SHARE. When this stock is sold no more will be offered. Ore is now being taken out and there is practically no doubt that when shipments begin, the mine will be one of the best payers in Tonopah. It OUGHT to be every bit as valuable as Tonopah Extension.

Experts have found that the veins tapped now are continuations of the veins of the celebrated Mizpah Mines, the ores of which assay from $16 to $265 a ton.

We invite close investigation The men who have put their money in this mine expect to make a great deal of money out of it. They are not making extravagant promises, or guaranteeing big dividends. The prospect looks might good. If you want to take a chance with them the opportunity is yours—But you'll have to speak quickly—There s might little stock still to be sold.

The officers and directors of Munhall-Tonopah are S. S. Wales, Pres., G.W. J. Browal, Treas; L H Bowman, Secy, Reese James, John Lawler, E W. Lewis and W A Griffith

Blainesburg.

Blainesburg, Washington County, Penna., is fifty miles south of Pittsburg on the Monongahela River, opposite Brownsville. Beginning at the Junction passenger station, the new town site extends over 260 acres of smooth, well drained land plotted into hundreds of large, level lots fronting on wide avenues, with wide alleys in the rear and crossed by level, wide streets.

Here, 50 new dwellings are in the course of construction and excavations are being made for the building of more homes.

The West Side Land Company, owners of the Blainesburg site, are selling lots for $500 each for any lot selected west of Second Street. The prices of lots range from $100 to $200 but the Land Company will soon advance these prices.

The Pennsylvania Railway company has provided quarters for several hundred laborers who will perform the work of filling the low ground at the Junction where pure water will be piped from the mountains for the locomotives and where new shops, yards and sheds will be constructed to facilitate the handling of some of the Green County Coal.

The payrolls of the railroads alone, at Blainesburg, will soon support a city of 5000. The payrolls of the window glass plant and other industries now in operation are capable of supporting a city of 2500. Work on the new tableware glass plant will be commenced about the first of July when the owners of the factory site will be able to devote their time to building, while their glass factories are closed during the hot weather. This industry will support another thousand and these facts taken together with the location and the situation of Blainesburg leave no doubt in the minds of any thinking person that Blainesburg is destined to rapidly become a city.

The West Side Land Co. has dedicated thousands of dollars worth of property for public use in giving miles of broad streets, and is expending other thousands for improvements. Opportunities are offered on Penn Avenue and Washington, Adams and Jefferson Avennes, between Second and Fourth Streets for business enterprises of nearly every kind. Stores of all kinds, hotels, and boarding house barbers shops, tailor shops meat markets, bakeries almost any business that can be thought of will soon be very much in demand in this location.

Lots now selling for $500 each will multiply in value in a short time. Nothing in prospect is more certain of rapidly increasing value than Blainesburg real estate. The West Side Land Company has sold a right of way for an electric line through Blainesburg over Blaine Avenue and Fifth Street, to the Pittsburg road, through the California city.

The contract is closed and the work of construction is expected to start in the near future.

The lots in Blainesburg are numbered and purchasers have only to go over the plan and make their selections. All lots are for sale except those marked "Sold" or "Reserved."

Hundreds of new dwellings can be either rented or sold to good advantage as soon as completed.

"Get some of the Money." You will find it hard to secure a better, surer, safer investment where a large percentage of profit can be realized quickly.

Look over the plan. Note the railroad work. Observe the industries. Look at the new houses. Study the location and situation. See the advantages. Make Comparisons. We repeat: "Get some of the Money." Deposit Bank and at Blainesburg, on the corner of Sixth and Jefferson streets.

Send for our beautiful, illustrated booklet, "Blainesburg." Come and see us. We will pay the railroad fare and expenses of all customers.

Freaks of the Avalanche.

One still January night a number of people in a tiny Swiss hamlet of the Canton Valais quietly abandoned their homes, and shortly before midnight the avalanche broke loose with plunging roars. It started many others in its downward roll, left the usual track, broke through and destroyed an old straggling larch forest and completely buried a big chalet in which twenty-six persons had taken refuge. Of these nineteen were killed and seven saved. This avalanche found a final resting place in a lake which its broken masses struck with terrific impact, causing thousands of fish to rise to the surface, quite dead. This reminds me that yearly tens of thousands of chamois, foxes, marmots and all kinds of birds, including even the lordly eagle himself, are destroyed by avalanches and their attendant hurricanes. Last season at Andermatt a superb mountain eagle was dug out of an avalanche alive, together with the sheep upon which it had been preying. —Woman's Home Companion.

The Romantic Air of Frisco.

San Francisco is permeated with an air of romance and adventure. Nowhere may one turn without being reminded of the legends that have been woven around the forty-niners and their immediate followers. The names of the streets and of the business blocks, such as Kearney, Sutter, Montgomery, Dupont, Flood, Crocker and Sharon, bring to the mind of the visitor long forgotten stories of riot or adventure and of fortunes whose vastness once excited his wonder or made him incredulous. To read the words that are painted upon the street cars of San Francisco is to be carried back in fancy to the time when the city was peopled only by those who, having turned from all else that men hold dear, had gone in search of fortune and found it, always just as they were about to give up in despair and die of starvation or succumb to the hardships with which human endurance could no longer cope. —Chicago Record-Herald.

Lincoln's Bar Record.

In his twenty-three years at the bar Lincoln had no less than 130 cases before the highest court of Illinois, a record unsurpassed by his contemporaries. He appeared before the United States circuit and district courts with great frequency, he was the most indefatigable attendant on the Eighth circuit and tried more cases than any other member of that bar, he was attorney for the Illinois Central railroad, the greatest corporation in the state and one which doubtless had its choice of legal talent; he was also counsel for the Rock Island railroad and other corporations and individuals with important legal interests at stake, he was sought as the arbitrator in the great corporation litigations of Illinois, and he tried some of the most notable cases recorded in the courts of that state.—Frederick Trevor Hill in Century.

Mental Poise and Health.

People who reach extreme old age are, as a rule, pretty well balanced physically and mentally. A poised life is serene, and serenity and harmony tend to longevity. The mind that is not well balanced is constantly jangled and out of time. There is a constant jarring which racks the whole human machinery. There is discord in an unbalanced life, and discord is always destructive, deadly. The well poised, dignified life is not thrown off its center quickly. The man who goes all to pieces over trifles is one sided. There is a momentum in a poised, balanced nature which steadies its progress and helps hold it on its chosen track.

Hot temper, constant mental confusion and disorder are vitality sappers—life shorteners. Success Magazine.

The Natural Way.

A philanthropic person heard of a negro family that was reported in destitute circumstances, and, calling at their domicile, he found the report true. The family consisted of the mother, a son nearing manhood's estate and two young children. The benevolent old gentleman after hearing the mother's story gave her eldest son $1 to get a chicken for the Thanksgiving dinner and took his departure. No sooner was he gone than the negress said to her son, "Sambo, you done gib me dat dollah and go get dat chicken in de nachral way?" Chicago Inter Ocean

Odd Graveyard Inscriptions.

At Worcester, England, the slab erected over a departed autioneer is inscribed with a single word, "Gone." In Sussex the initials and date of the death of the deceased are followed by two words, "He was." The most remarkable inscription is at Cane Hill cemetery, Belfast, where the inscription says, "Left till called for."

Piling It On.

"Our minister does have the hardest luck. Just think, the baby's down with the croup, Albert broke his collar bone last week, their horse died yesterday, and now Mrs. Rector has pneumonia."

"I suppose that by and by, on top of all that, some fool will get them up a donation party."—Woman's Home Companion.

Two Ways to Prosper.

Two kinds of business men are bound to succeed. We refer to the man who knows how to advertise and to the one who knows that he does not know, but knows enough to get one who does know to write and place his advertisements for him.—Troy Press.

ACHED IN EVERY BONE.

Chicago Society Woman Who Was So Sick She Could Not Sleep or Eat, Cured by Doan's Kidney Pills.

When a woman's kidneys go wrong, her back gives out and every little task becomes a burden. She is tired, nervous, sleepless, run down—suffers daily from backache, headaches, dizzy spells, and bearing-down pains.

Don't worry over imagined "female troubles." Cure the kidneys and you will be well. Read how to find the cure.

Marion Knight, of 33 N. Ashland Ave., Chicago, Ill., member of the Chicago Federation of Musicians and a well-known club woman, says: "This winter when I started to use Doan's Kidney Pills I ached in every bone and had intense pains in the kidneys and pelvic organs. The urine was thick and cloudy, and I could barely eat enough to live. I felt a change for the better within a week. The second week I began eating heartily. I began to improve generally, and before seven weeks had passed I was well. I had spent hundreds of dollars for medicine that did not help me, but $6 worth of Doan's Kidney Pills restored me to perfect health."

A FREE TRIAL of this great kidney medicine which cured Miss Knight will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

One would think the laxative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for Coughs and Colds would be to move the bowels and clean the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the Original Laxative Coughs, Colds, Croup, Whooping Cough, etc. Tastes good and is harmless.—Sold by R. W. Beck.

The tar that is contained in Bee's Laxative Honey and Tar is harmless. It is not coal tar, but is obtained from the pine trees of our own native forests. Bee's Laxative Honey and Tar is the best remedy for colds because it acts on the bowels—thus expelling all colds from the system. Bee's is the original Laxative Honey and Tar, and is best for coughs, colds, croup, whooping cough, lung and bronchial effections. Sold by C. A. Light.

Don't frown—look pleasant. If you are suffering from indigestion or sour stomach, take Kodol Dyspepsia Cure. Hon. Jake Moore, of Atlanta, Ga., says: "I suffered more than 20 years with indigestion. A friend recommended Kodol. It relieved me in one day and I now enjoy better health than for many years." Kodol digests what you eat, relieves sour stomach, gas on stomach, belching, etc.—Sold by R. W. Beck.

A liquid cold cure for children that is pleasant, harmless and effective is Bee's Laxative Honey and Tar. Superior to all other cough syrups or cold remedies because it acts on the bowels. An ideal remedy for Coughs, Colds, Croup, Whooping Cough and all curable lung and bronchial effections in child or adult. Pleasant to take. Sold by C. A. Light.

If you are troubled with Piles and can't find a cure, try Witch Hazel Salve, but be sure you get that made by E. C. De Witt & Co., Chicago. It is the Original. If you have used Witch Hazel Salve without being relieved it is probable that you got hold of one of the many worthless counterfeits that are sold on the reputation of the genuine De Witt's Witch Hazel Salve.—Sold by R. W. Beck.

The gums and resins obtained from pine trees have long been recognized as highly beneficial in the treatment of backache, kidney and bladder troubles. Pineules is the name of a new medicine, the principle ingredients of which come from the pine forests of our own native land. Sold by C. A. Light.

Mothers everywhere praise One Minute Cough Cure for the sufferings it has relieved and the lives of their little ones it has saved. A certain cure for coughs, croup and whooping cough. Makes breathing easy, cuts out phlegm, and draws out the inflammation. It should be kept on hand for immediate use.—Sold by R. W. Beck.

It is not difficult to relieve blind bleeding, itching or protruding piles with MaxZito, the great pile remedy. It is put up in capsule tubes with nozzle, and may be introduced and applied at the seat of the trouble. Stops pain instantly. Sold by C. A. Light.

Indigestion is much of a habit. Don't get the habit. Take a little Kodol Dyspepsia Cure after eating and you will quit belching, puffing, palpitating and frowning. Kodol Digests what you eat and makes the stomach sweet.—Sold by R. W. Beck.

For bloating, belching, indigestion, etc., eat a Ring's Dyspepsia Tablet after meals. Sold by C. A. Light.

The best safeguard against headache, constipation and liver troubles is De Witt's Little Early Risers. Keep a vial of these famous little pills in the house and take a dose at bedtime when you feel that the stomach and bowels need cleansing. They don't gripe.—Sold by R. W. Beck.

Salve! Salve! Spread the Salve, but let it be Pine Salve, natures remedy for cuts, burns, sores, etc. Sold by C. A. Light.

Diphtheria, sore throat croup. Instant relief, permanent cure. Dr. Thomas' Electric Oil. At any drug tore.

WEBSTER NOTES.

Some of the candidates are visiting us at last.

Earl Gilmore of West Newton, was in town today on business.

Harris Walters of Monessen was in town this morning on business.

Our physicians report our town in an exceptionally healthy condition.

John Duggan of Monongahela, spent a part of yesterday in town on business.

A party of our young people attended a dance at Monongahela last night.

John M. Hawk, of Greensburg, candidate for Clerk of Courts, was in town today fixing up political fences.

O. C. Thompson has accepted the agency of a book, giving an authentic account of the San Francisco disaster.

Webster is not to be without a ball team after all. The North Webster Juniors have organized and some good games can be expected.

No Inquest Necessary

Coroner Wynn of Greensburg arrived in town this morning for the purpose of holding an inquest over the body of J C. Burwell but after becoming fully acquainted with the circumstances he decided that this would be unnecessary, and will render a decision of suicide by shooting. Burwell was a member of the I. O. O. F, of this place and the Jr. O. U. A. M. and Red Men of Belle Vernon. The funeral which will take place tomorrow will likely be in charge of these lodges, interment will be made in Gibsonton cemetery.

The Churches Act

San Francisco's suffering has aroused widespread sympathy. The various church organizations are not wanting in activity to succor the unfortunate. A press dispatch says: "Churches were especially hard hit by earthquakes and fire. More than eighty churches were razed among them the most notable in the city." The Christian people of Monessen have responded to the general relief work, now the several denominations are making generous gifts to rebuild the churches. At the M. E. church on Sunday a very special effort was made in response to an appeal from the Missionary Society, and about $100 was realized.

The Presbyterian church gave something over $9 00 through the Clerk of General Assembly. St. Paul's Lutheran congregation deposited $6.25 in the basket at the door as they were dismissed, and to this additions are expected. The Board of Church Extension will dispurse the monies of Lutheran congregations. The U. B. church gave $12.50 to the Red Cross Society through the Ministerial Association in addition to the $5 00 by the Association. The U.P. and the A. M. E. church, each contemplate similar action. As conditions are more definitely determined and the information can be furnished upon which to base definte appeals, no doubt the other churches will also respond. When the age, size and strength of Monessen churches are considered, their generosity is to be commended.

A good many people are using Hyomei these days. It is the only guaranteed cure for catarrh, where you get your money back unless it cures. Druggist Miller has the local agency.
